SUTTONS **GODETIA**
Precious Gems Mix

- Hardy annual – sow direct outside
- Easy to grow
- Bright, glowing colours

 Sow  Plant out  Flowers

Year 1												
	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
Year 2												

SOWING AND GROWING
Choose a sunny position and sow thinly, direct into finely raked, moist, warm soil, where the plants are to flower Mar-May at a depth of 6mm (¼"). Cover the seed lightly. Germination takes 10-14 days. Thin seedlings in stages to 23cm (9") apart removing any competing weeds. Alternatively, to flower early the following year, sow direct during September.

HELPFUL HINT Sow in spring for summer flowering or in early autumn for late spring next year.

Quality Control: This seed has been carefully tested to ensure high germination. Prior to use, store in a dry cool place.
